Purpose of the processing

Personal data are collected in the context of the open selection procedure for the appointment of EIOPA's Chairperson.

More precisely, once the deadline for the submission of the applications has expired, the Pre-Selection Committee particularly established for the purpose of this recruitment procedure screens the applications and draws up a list of up to 10 candidates to be invited to a pre-selection interview (pre-shortlist). Following the interview, the Pre-Selection Committee submits its report (including the assessment of the interviewed candidates) to EIOPA's Board of Supervisors (BoS) and recommends

¹ Regulation (EU) 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data, and repealing Regulation (EC) No 45/2001 and Decision No 1247/2002/EC

a list of up to 6 most suitable candidates for the BoS to invite them to an interview and presentation. After the conclusion of the previous step, the BoS adopts a final short-list of 3 candidates and submits it to the European Council, which takes the decision on the appointment of the Chairperson, after confirmation of the European Parliament.
